Liability for Content

The Content on our website were created with greatest care. However, we cannot guarantee the correctness, completeness and actuality of the content. As a service provider according to § 7 Abs.1 TMG we are responsible for own content on these sites after common law. According to §§ 8 bis 10 TMG however, we are not obliged to monitor transmitted or saved external information or to research circumstances that could indicate an unlawful act. Obligations to delete or close the usage of information after common law will remain unaffected. A liability in this context, however, is only possible from the moment of knowledge of a concrete violation of law. If such a violation of law becomes apparent to us, we will delete this content immediately.

Liability for Links

Our offer includes links to external websites of third providers on whose content we have no influence. Therefore we cannot take responsibility for this external content. The respective provider or operator of the linked website is to be held liable at all times. The linked websites have been checked for possible violations of law at the moment of linking. Illegal content was not to be found at the moment of linking. A permanent control of content of the linked websites without a concrete clue on a violation of law however, is not reasonable. If a violation of law becomes apparent to us, we will immediately delete such links.

Copyright/ Intellectual Property Right

The contents and works created by the provider of this website are subject to the german copyright. Copying, editing and propagation as well as any kind of exploitation outside the limitations of copyright are due to a written acknowledgement of the respective author or creator. Downloads and copies of this website are only for private use and not free for commercial use. If the contents of this website have not been created by the provider, they are subject to the copyright of third parties. Contents of third parties are marked particularly.

Should you come to awareness of a violation of copyright anyhow, we would like to ask you for a pursuant notification. If a violation of right becomes apparent to us, we will immediately delete such content.
